General / Overview

READ THESE TERMS & CONDITIONS CAREFULLY BEFORE ACCESSING THE SERVICES, AS HEREIN DESCRIBED OR THE SITE, OR BEFORE CLICKING YOUR ACCEPTANCE OF THESE TERMS & CONDITIONS WHEN REGISTERING TO USE THE SERVICES. THESE TERMS & CONDITIONS HAVE LEGAL CONSEQUENCES AND WILL AFFECT YOUR LEGAL RIGHTS. BY AGREEING TO THESE TERMS & CONDITIONS, YOU ARE WAIVING YOUR RIGHT TO SUE IN COURT, YOUR RIGHT TO A TRIAL BY JURY, AND YOUR RIGHT TO BRING ANY CLASS, COLLECTIVE, OR REPRESENTATIVE PROCEEDING AGAINST SLINGBID. AS USED IN THESE TERMS, THE SITE MEANS THE ENTIRETY OF THIS WEBSITE AND MOBILE APPLICATIONS INCLUDING, BUT NOT LIMITED TO, ALL CONTENT, SERVICES, INFORMATION, AND ANY PORTIONS THEREOF. THE SLINGBID SERVICES ARE ANY SERVICES OFFERED OR PROVIDED BY SLINGBID. THE SERVICES AND THE SITE ARE COLLECTIVELY HEREIN REFERRED TO AS THE SERVICES.

Each SLINGBID auction is sponsored by SLINGBID and SLINGBID's brand partners.

Welcome to SLINGBID! The following Terms & Conditions (the "Agreement") shall apply to the relationship between the SLINGBID ("SLINGBID," "we," or "us") online interfaces and properties, including the SLINGBID.com website and SLINGBID mobile applications (the "Site"), and the buying of or bidding on goods or other services offered by SLINGBID through the Site, the end user ("You" or "Your"). SLINGBID and You are herein collectively referred to as the Parties.

By using the Services, You accept these Terms & Conditions, as well as the manner in which SLINGBID operates. These Terms & Conditions constitute the entire agreement between SLINGBID and You and supersede and replace all prior commitments, undertakings or representations, whether written or oral, between You and SLINGBID with respect of Your use of SLINGBID.

SLINGBID will not be liable if for any reason all or any part of the Services are unavailable at any time or for any period. From time to time, SLINGBID may restrict access to some or all parts of the Services to users, including registered users.

When using the SLINGBID Services, as described in comprehensive detail herein, a user may spend money on virtual credits such as Bids without receipt of physical items. You are solely responsible for your spending, bidding, and purchasing when using the Services. SLINGBID is not responsible or liable for your bidding or spending on SLINGBID or through any of the Services. It is your sole responsibility to only purchase items on which you have fully read the product descriptions and with

which You are familiar. You are solely responsible for any and all of your actions on the Site, in connection with the Services and auctions.

As is typical with all auctions, SLINGBID cannot guarantee that You will be the winner of any individual auction or that the final price in any auction will be a tremendous discount. Sometimes bidding can be very competitive, and the competition tends to grow as the products become more valuable or sought after.

If you have any questions, concerns, or comments about our Terms & Conditions, we encourage you to contact us by emailing your inquiries to: service@slingbid.com or by calling us at: **1-866-297-5464 (SLING)**

Contractual Obligations

The auction process is a method by which the Site offers memberships to users enabling them to bid on auctions for goods and services. By submitting bids, You are participating in an auction where the outcome is determined by the skill of the user to place a timely bid. Once a bid is accepted, a contract is created between the buyer and the Site for the award of the product or service with the terms disclosed at the time of the auction. By using the Services and bidding on an auction item you agree to complete the transaction as described herein and fulfill any and all contractual obligations.

SLINGBID products and services are offered exclusively to private users and not to commercial or semi-commercial retailers.

In its sole discretion, SLINGBID reserves the right to limit the number of user accounts per natural person and the number of won auctions per user account. A single credit card may not be used in conjunction with multiple user accounts. SLINGBID limits the number of user accounts per natural person to one (exceptions may apply – contact customer support with any questions at service@slingbid.com). A single user account may win a maximum of twelve (12) auctions, in a 30-day period. A single user account may only win a maximum of twelve (12) auctions per 24-hour period. A user account may only be winning a maximum of five (5) auctions at any one time, less the number of current auction wins over the previous 24-hour period. However, SLINGBID reserves the right, from time to time and in its sole discretion, to impose different win limits for specific products.

The target market for the Services is the United States of America. All items purchased through the Services may only be delivered to the continental United States. SLINGBID does not deliver to PO Boxes or to freight forwarding companies. SLINGBID may decline shipping to RR boxes. Please contact support before placing an order if you wish to use an RR box.

Registering

To use the Services, you must first register for an online user account, consisting of a username, password, credit card or PayPal information, billing address, and other information as may be required by SLINGBID.

You may register only **once** and may only have one account at SLINGBID for your personal use. Furthermore, each household or "group of users associated with each other", determined by the sole discretion of SLINGBID, may not register or have control over more than ONE SLINGBID member account. If a single person is found to have or maintain control over more than one account on SLINGBID, or if a household or a "group of users associated with each other" is found to have or maintain control over more than one account on SLINGBID, all accounts will be immediately suspended, all auctions the accounts have participated in will be voided, and any Bids purchased will be removed without prior warning and without any form of compensation.

During the registration process, the user must choose a username. The username may not offend common decency or infringe upon the rights of third parties. Your chosen username must not be offensive, rude, disparaging, or intended to deceive or delude other SLINGBID users. The username may also not be misleading in any way or, in SLINGBID's judgment, closely resemble the identity of an existing user. Your username may not advertise for other websites or services or otherwise violate the intellectual

property rights of any third party. If SLINGBID receives information that Your username is illegal or in breach of these Terms & Conditions as evaluated in SLINGBID's sole discretion, Your user account may be frozen until You change the username. Without prior notice to You, SLINGBID may also permanently close Your account for violating these Terms & Conditions.

You must not provide misleading information when registering. You may not collude to exchange information with other SLINGBID users. It is a condition of Your use of the Services that all the information you provide through the Services is correct, current, and complete.

You are responsible for keeping Your user account password confidential. **SLINGBID will never ask for Your password except during login. You should never provide Your password to anyone, including SLINGBID's employees.**

You agree to maintain and promptly update your user account information to keep it true, accurate, current, and complete. If you provide any information that is untrue, inaccurate, not current, or incomplete, or SLINGBID has reasonable grounds to suspect that such information is untrue, inaccurate, not current, or incomplete, SLINGBID may suspend or terminate your account or access to the Services. If you abuse your user account, whether it harms a third party or SLINGBID, you may be disqualified and, if applicable, SLINGBID may notify applicable authorities of the possibility of a crime. You are liable for all offensive or unlawful activities that You undertake when using Your user account.

ACCOUNTS AUTHORIZED TO USE THE SERVICES CANNOT BE TRANSFERRED OR USED BY ANYONE OTHER THAN THE AUTHORIZED ACCOUNT HOLDER. USE OF THIS ACCOUNT BY A PERSON OR PERSONS NOT AUTHORIZED BY SLINGBID IS STRICTLY PROHIBITED. NO MORE THAN ONE LOG-IN SESSION OR ONE AUTHORIZED ACCOUNT USER CAN BE ACTIVE AT A TIME FOR ANY ACCOUNT. ACCOUNTS WHICH HAVE BEEN TRANSFERRED IN WHOLE, PART, OR PROXY BIDDING TO OTHER PARTIES, OR SHOW OTHER ACTIVITY IN VIOLATION OF THESE TERMS & CONDITIONS, ARE SUBJECT TO IMMEDIATE TERMINATION. SLINGBID RESERVES THE RIGHT TO MAINTAIN LOGS OF ACCOUNT ACTIVITY AND TO USE SAID LOGS FOR THE PURPOSE OF DETECTING USAGE IN VIOLATION OF THESE TERMS & CONDITIONS.

SLINGBID reserves the right to at any time temporarily or permanently disqualify a user for violating these Terms & Conditions. In SLINGBID's reasonable opinion, Users will be disqualified when a user has violated any law, regulation or equitable interest in favor of a third party, such as protecting users and the Service from manipulation. Examples of the foregoing include, but are not limited to, (i) honoring bids of users who have not paid for the Bids, (ii) the use of unauthorized bidding software, or (iii) establishing several user accounts for the same person. Moreover, SLINGBID reserves the right to cancel unauthorized SLINGBID accounts or accounts

that have been inactive. Each user agrees not to hold SLINGBID responsible for any loss incurred as a result of such action.

Bidding / Warning

Each SLINGBID bid (a "Bid") is a limited, non-transferable, one auction (or upon SLINGBID discretion transferred to future auction) license to place one bid on a SLINGBID auction. Bids have no monetary value; are not credited against products or services on the Site; and may not be exchanged for money or any items of monetary value.

Bidding on SLINGBID can be so exciting that it's easy to get caught up in the moment and exceed Your budget, since repeated online bidding can result in high costs. Users should therefore pay attention to their bidding practices.

SLINGBID wants you to enjoy your shopping entertainment experience and does not want you to get in over your head. Here are some suggestions from SLINGBID to keep yourself afloat:

1. Set strict bidding limits for yourself for each auction, and stick to them;
2. Keep calm and remember that entertainment shopping is as much about the pursuit of the item, as it is about winning the item;
3. Use the features provided on the Site to only utilize the Bids within the dollar amount limit of the bidding package you purchased.

Good luck and happy bidding.

Bid Purchasing for Online Bidding / Payment

SLINGBID Bids must be purchased by users prior to online bidding by using the online form to register and following the prompts to purchase bid packages ("Bid Packs"). Only registered users can submit the online bids. The Bids must be paid for in advance.

By paying for Your Bids in good faith and by SLINGBID's subsequent delivery of Your Bids to Your SLINGBID account, in good faith, a contract for the purchase of Bids materializes. If a user is suspended for whatever reason, all of his/her Bids will be forfeited and the Bids will not be refunded.

Users who have won an auction are not eligible for a refund on either Bid purchases, account activation fees, or product fees if their product has been shipped by the time of request.

SLINGBID reserves the right to block access to the user account until SLINGBID receives full payment for the outstanding amount, including any fees due to a returned payment, etc. SLINGBID may withhold any outstanding deliveries until it receives full payment. The user acknowledges that the user's bank may or may not charge the user an international payment fee or other types of fees in connection with a credit card payment on the Site. It is the sole responsibility of the user to be familiar with the policies and practices of his/her bank for such fees. SLINGBID is in no way liable for additional payment fees of any kind issued to the user by the user's bank.

In SLINGBID's sole discretion, SLINGBID may make unused Bids eligible to be transferred and transfer a user's unused Bids to an upcoming auction.

SLINGBID reserves the right to sell Bids at any discounted price to specific user groups for promotional purposes. All SLINGBID users understand that they may from time to time receive unique offers to buy discounted Bids and that other users may do so as well. Similarly, users may see different product pricing, based partly on the activity characteristics of that user.

SLINGBID reserves the right, at any given time and without further notice, at SLINGBID's sole discretion, to remove any sign up or other promotional Bids added to a user's account for free.

Winning Limits

SLINGBID reserves the right, from time to time, to review the guidelines for any winning limits and at any time, at its sole discretion, may limit accounts from winning an excessive amount of auctions. SLINGBID attempts to limit some auctions to users of comparable skill, as determined by SLINGBID, to enhance user experience and equal chances of winning auctions. In so doing, SLINGBID may limit which auctions are available to particular users based on any factors deemed appropriate by SLINGBID in its sole discretion, including experience of the user, historical success of the user, demographic factors, prior bidding and spending activity, and other factors. In particular, SLINGBID may limit certain auctions to less experienced or successful users in any manner SLINGBID deems appropriate to optimize the overall user experience of all SLINGBID users. You acknowledge that You may be, and you consent to being, excluded from auctions at SLINGBID's discretion.

This winning limit is enforced to ensure that all users have a high quality of user experience.

Bid Expiration

Bids held in user accounts must be used within 365 days from the day that the Bids have entered the user account through purchased Bidpacks. If the Bids have not been used within that time, they will expire and SLINGBID shall permanently remove the expired Bids from the account.

Fraud and Other Restricted Behavior

You acknowledge that in order to maintain fair and honest auctions, SLINGBID retains the right to monitor and prevent any fraudulent or malicious activity on the Site. You acknowledge that you have read what these activities include, but are not limited to, in these Terms & Conditions and you agree not to engage in any of these, or any other fraudulent or malicious activities. As stated herein, SLINGBID reserves the right to temporarily or permanently suspend any user account engaged or suspected to engage in any such activities.

You may not register and make bids under a false name or with an invalid credit card. Such fraudulent conduct is a violation of federal and state laws. Fraudulent bidders may be reported to the relevant state and federal law enforcement agencies and SLINGBID will cooperate to ensure that violators are prosecuted to the fullest extent of the law.

A bidder may not resell any product or service obtained through the Site and Services, without the prior written consent from SLINGBID. Moreover, a user may not use the products to create any investment scheme, commodities contract or pool or otherwise to use SLINGBID as a product delivery mechanism for a brokered or 'middleman' agreement or obligation. If it is discovered that a user is, in fact, reselling products obtained from SLINGBID, SLINGBID reserves the right to suspend the account without further notice, voiding all auctions in which the user has participated and/or is currently participating. Additionally, the user may be required to compensate SLINGBID for any and all damages.

No user may permit or assist others to use the Services for any purpose other than that for which they are intended. A user shall not permit or assist others to abuse or fraudulently use the Services, including, but not limited to, the following:

- Obtaining or attempting to obtain service by any fraudulent means or device with the intent to avoid payment;
- Accessing, altering, or destroying any information of another SLINGBID user by any fraudulent means or device, or attempting to do so; or

- Using Services so as to interfere with the use of SLINGBID network by other users or authorized users, intentionally or not; or in violation of the law or in aid of any unlawful act.

Each user acknowledges that SLINGBID's network may only be used for lawful purposes. SLINGBID reserves the right to monitor all network activity. While using SLINGBID, each user agrees to refrain from the following prohibited acts:

- Maintaining more than one account or maintaining control or influence over more than one account;
- Infringing upon the intellectual property of SLINGBID, establishing a competing site, or otherwise copying or using the data on the Site for any reason other than bidding on products for the Bidder's own use;
- Manipulate the bidding process by placing fictitious bids, colluding with other parties to create the illusion of volume ('marking the close' or 'painting the tape'), or engaging in any other disingenuous or fraudulent activity that undermines the integrity of the online market;
- Breaching SLINGBID's terms or policies contained herein;
- Attempting to harvest or otherwise collect information about users, including email addresses;
- Attempting to upload or download any computer virus;
- Attempting to transmit via email any unsolicited advertising, promotional materials, "junk mail", "spam", "chain letters", "pyramid schemes", or any other form of email solicitation to other users;
- Attempting to communicate with other users to promote or provide instructional information about illegal activities, promote physical harm, or injury against any users;
- Viewing and/or downloading or uploading pornographic photographs, videos or other pornographic media or stories; and
- Attempting to attack other people's internet connections, Web Sites or computers, or damage or deface anyone else's Web Site.

Collusion / Team Play

SLINGBID strictly forbids any kind of collusion or team play on the Site in connection with the Services. By definition, this includes, but is not limited to, two or more members working together as a team, or creating the impression that there are more people involved than there actually are and competing to win an auction.

SLINGBID does not allow two members that know, or are associated with, each other to participate in the same auction. Two members that know, or are associated with, each other, participating in the auction, are by definition engaging in team play, and shall automatically lose their right to purchase the item or receive any of their spent bids back.

SLINGBID reserves the right to disqualify, in its sole discretion, any users SLINGBID suspects to be working in a team by voiding all their wins and freezing their accounts. SLINGBID shall not credit funds or Bids, nor shall SLINGBID transfer the user's bids into other accounts. If a user is found to have violated these Terms & Conditions, the user shall immediately pay SLINGBID for any free Bids provided to and used by the user, including those provided in the past, at the bid's current selling price.

Password / Equipment

You may not disclose your username and password to any third party and You agree that you are solely responsible for any use of or action taken under Your account. Your password may be used only to access and use the Services. If Your user credentials and/or password are compromised or otherwise disclosed, You must notify SLINGBID and change your password immediately, in order to minimize Your risk of loss.

You are responsible for providing and maintaining all equipment necessary to use the Services, including, without limitation, computer hardware and software, modems, network or Wi-Fi connections and telephone service. Further, You are solely responsible for (i) maintaining the security of Your personal information, including, without limitation, account and login information, passwords, and financial information; (ii) all telephone and toll charges which may apply to Your account depending on your location; and (iii) any other charges resulting from the use of Your account.

Investigation of Violations

We may investigate any violation of these Terms & Conditions, our policies or guidelines, or any complaints and take any action that we deem appropriate and reasonable under the circumstance to protect our Site, systems, facilities, users and/or third parties. Our actions may include, but are not limited to, issuing warnings, suspension or termination of the Services or any user accounts, and/or removal of or disabling access to content hosted on SLINGBID's Site. We reserve the right and have absolute discretion to remove or disable access, screen, or edit any content that violates these provisions or is otherwise deemed objectionable by SLINGBID's standards. SLINGBID also reserves the right to report any activity that it suspects violates any state, federal, city or local law or regulation to the appropriate law enforcement officials.

Specifically, You agree that with respect to any information disclosed to You by SLINGBID regarding another user of the Services, You only will use such information, unless otherwise authorized, (i) to complete transactions originating from the Site, including the use of third-party services, (ii) for communications with SLINGBID, or (iii) as permitted by the corresponding user identified in such information. - Involve commercial activities or sales, such as contests, sweepstakes, and other sales promotions, barter, or advertising; and

SLINGBID has no liability or responsibility to anyone for performance or non-performance of the activities described in this Section.

How Auctions Work

An auction starts with a set time on the clock. With each Bid a user's submits, the price of the item on which the user is bidding increases by pre-specified increments, depending on the item being auctioned. When a specific amount of bids has been reached, the clock will be reduced by a predetermined amount of time. As a final

feature, when the auction is drawing to a close, at a preset point, for each bid placed, time will be added to the clock in a dynamic closing process. When the time runs out (zero seconds), the last one to bid will win the right to purchase the auctioned item at that winning price. The countdown time for each of the auctions is shown on the auction details.

The user demonstrated his/her skill by placing the last bid before the clock runs out in a timely manner, thereby becoming the winning bidder in the auction. The user shall have an opportunity to purchase the item for the winning value only after the auction has concluded and the winning bidder has followed all the steps required in the Congratulatory page or email.

The user who is the last to bid wins the right to purchase the auction item at the winning price. All other Bids on the item expire and will not be refunded unless specified by SLINGBID. The last bidder is determined based on the records in SLINGBID's database and SLINGBID's decision regarding the identity of the last bidder is final. If a Bid is placed too late, a Bid does not reset the timer of an auction or is not correctly registered by the system, it is then invalid. Even though this bid may be the last bid on an auction, it is the last bid on an auction that wins the auction.

An invalid bid is one where the auction timer is not reset after the bid has been placed. SLINGBID recommends its users to always bid at least a few seconds prior to the auction timer reaches zero, as otherwise the bid might be reflected as accepted by the system, but in reality be received too late.

SLINGBID is not responsible for third party abuse and manipulation of the SLINGBID service, for example, if other users create chaos on the Site, which then results in lost bids. In that case, and other cases of third party abuse, SLINGBID is not responsible.

SLINGBID is constantly attempting to maintain fairness and balance in its auctions, therefore, at SLINGBID's sole discretion, some new users or users who have lost auctions, may receive special promotions, access to special auctions, and/or free Bids through site features. This is designed to maintain fair practices and helps balance and create a great auction experience for all users.

Notification of the Win / Acceptance of the Win / Payment

After the auction has ended, the last bidder ("Winner") who is logged on with SLINGBID will see a 'Congratulations Page' displayed, along with all of the important information such as the product or service redemption details, etc, the same which will identify the win (the "Win"). The user must actively confirm the Win by following the steps indicated on the Win page or elsewhere on the Services. The Winner will also receive a notification of the Win via e-mail with a request for payment.

Orders may be subject to sales tax (when applicable and required by law) and the Winner will be solely liable for any and all such taxes upon redemption of the product or service.
